

Health & Safety | Clarkson College Quick Reference Checklist

PROGRAM REQUIREMENTS		
☐	Open Qualified First/Verified account. This is a web portal to hold health and safety requirements. Order with your specified package code.	Deadline for requirements: Spring-January 30th, Summer-May 30th, and Fall-September 30th. Payment required! See instruction email for package code.
☐	Immunization Records Required: Varicella* (2 shots or titer), Hep B** (Titer), TB, TDap (Tetanus with Pertussis), flu shot, and MMR (2 shots or titer), COVID-19*** (vaccination, or exemption). <i>Meningococcal-</i> only if living on campus in the Residence Hall.	*Must have Varicella titer if had the disease. **Hep B- Hep B Surface Antibody Titer to show immunity. ***COVID-19 – NOTE: The COVID-19 Vaccination is not required by Clarkson College for students, but it may be required by some clinical institution's students attend and additionally may require – booster(s), specialized exemption forms and testing.
☐	Basic Life Support (BLS) AHA Basic Life Support for Healthcare Providers The BLS Provider Blended Learning (online course) does require taking a skills session on campus. Registration can be done online thru the College website with a credit card, or by phone 402.552.3396, or in-person in Professional Development.	American Heart Association (AHA) Course ONLY! No other BLS course is accepted. The course is offered at Clarkson College through Community Advancement at a student price on campus or online.
☐	Physical Examination – (like a sports physical). Form can also be found on the College website under Health and Safety FAQs or in your Qualified First account as a download from the physical examination requirement.	College form is required!
☐	Health Insurance If your name is not on the card, a letter of eligibility must be obtained from the insurance provider.	Individual plan required. No school plan option available. Resources available on the College website under the Health and Safety Health Insurance tab. Health Insurance Clarkson College
☐	Background Check – if required, is completed with demographic information when opening Qualified First/Verified account.	Verified will upload final report to your account when complete.
☐	NE DHHS Adult & Child Abuse Registry Check. Instructions to the state web portal are to be downloaded from this requirement in your Qualified First/Verified account.	READ Instructions carefully. If the student is under the age of 19 or is unable to verify Identity online, you will receive a message to download a form to be notarized.
☐	Drug Test – If required, you will receive an email after opening your Qualified First/Verified account with a Chain of Custody form to be downloaded and taken to the lab. Lab locations are selected by the zip code you entered in your demographic information when setting up your account.	Lab Form required! This is proof of payment and an order form! Verified will upload final results to your account.
☐	HIPAA and Blood Borne and Air Borne Pathogen. Instructions will be downloaded from the requirements in your myCB account to access the course modules in CANVAS CATALOG. The modules are in CANVAS CATALOG not CANVAS. Use Chrome or Firefox browsers to access.	READ instructions carefully! A CANVAS CATALOG Certificate of completion must be uploaded.
☐	OTHER-May include training modules or items specific to program. Examples – Onboarding (site specific documentation outside of CastleBranch requirements), IA Mandatory Reporter, COVID-19, etc.	Please ask program contacts about these for additional information.
☐	Program Contacts	See specific program contacts on next page.
☐	Clinical Compliance Office	May-Lissa Valentin & Brittany Rockwell compliance@clarksoncollege.edu
