

Articulation Agreement  
**Central Community College** Nebraska  
**Associate of Science in Radiologic Technology  
 & Bachelor of Science in Medical Imaging**

Effective Fall 2016

Clarkson College accepts transfer credit from Central Community College. The articulation agreement shows how courses completed at Central Community College will be transferred to Clarkson College. It is important for students transferring credit to Clarkson College to submit a final official transcript after completing all course work from other institutions. Students must receive a grade of “C-” or higher to be considered for transfer credit. Clarkson College does not accept transfer credit for courses taken after enrollment at Clarkson College.

**All courses are also offered at Clarkson College and are not necessary for admission.**
