

NURSE AIDE SKILLS REVIEW SESSION AND EXAMINATIONS

Do you plan on taking the Nurse Aide written and skills competency examination and feel you need to brush up on important steps? The Skills Review Sessions will provide you with a hands-on opportunity to review and practice nurse aide skills prior to the examination.

Each session is 3 ½ hours in length and held in the Clarkson College Nurse Aide classroom/lab. Sessions provide an intensive review with a nurse aide instructor to help guide you. This is a review session; not all nurse aide course material is covered, nor is any guarantee given that participation will ensure passing the examinations.
