

Tips for Improving Client Communication & Interaction

WEBINAR

OCTOBER 25TH, 2022
10:00 AM-12:00 PM (CST)

Why is everyone so tense? Coming out of a pandemic we may need some new ideas for improving our communication and interaction with clients. This webinar will provide tips for increasing your confidence and building skills while maintaining professionalism and compassion. Communication tips such as I statements and mindfulness will be reviewed. Improving interaction such as working with difficult people, establishing rapport, de-escalation, and setting healthy boundaries will also be discussed. Common every day workplace scenarios will be shared.
