

Central Community College Nebraska
**Bachelor of Science in Healthcare Business with
 a major in Health Information Administration**

Effective Fall 2022

Clarkson College accepts transfer credit from Central Community College. The transfer guide shows how courses completed at Central Community College will be transferred to Clarkson College. It is important for students transferring credit to Clarkson College to submit a final official transcript after completing all course work from other institutions. Students must receive a grade of "C-" or higher to be considered for transfer credit. Clarkson College does not accept transfer credit for courses taken after enrollment at Clarkson College.
