

Continuing Education is Offered for these Recovery Champions of Nebraska live & online courses!

These programs are presented through the Recovery Champions of Nebraska initiative. A group of peer professionals working together to break the stigma around behavioral health disorders.

We welcome all individuals interested in learning more about personal recovery stories. The purpose of these courses is to provide education around personal recovery journeys. The learner will hear about life experiences, personal struggles that have impacted mental and emotional health, and personal journeys towards recovery.

Upcoming Live Event: Women in Recovery: Tales of Triumph

Program Objectives:

- Hear personal recovery stories from individuals in our community
- Identify what it means to move towards recovery

Date/Time/Location: Wednesday, August 24, 2022, 11:30 AM to 1:00 PM, Webinar

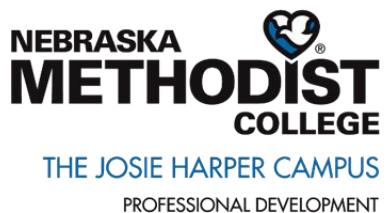

Value: 60.00, Cost: \$0

Continuing Education: Contact hours are awarded for nursing, social work, mental health, physical therapy, occupational therapy, and education. Nurses: 1.5 contact hours awarded.
